TEN EXHIBITIONS TO SEE THIS SPRING

A leading female sculptor, a landscape artist and a celebration of Pop Art are all in the line-up

By Frances Hedges – 22 February 2018

Stephen Farthing RA, *The Museum of Scholarly Collecting, Oxford, 2017*. Ashmolean Museum of Art and Archaeology

Stephen Farthing's 'Museums of the World' at Manor Place Museum and Candida Stevens Gallery

Displayed across venues in West Sussex and Chichester, this collection of paintings by the Royal Academy Exhibitions Committee chairman Stephen Farthing captures the interiors of museums around the world, posing questions about what it means to collect and observe art.
